

VIDERE[®]

IN PARTNERSHIP WITH

Videre is the designated provider of on-site ultrasound service for Novant Health

Our partnership means that Videre meets the Novant Health standard of quality on every aspect of our diagnostic service. We adhere to the strict clinical protocols required by Novant Health in order to provide the highest quality in mobile ultrasound to our partnered Novant Health practices. This includes:

- Accreditation with ACR[®] and IAC[®]
- ARDMS[®]-registered and multi-modality credentialed Sonographers
- Stringent Novant Health Quality Assurance program
- Advanced ultrasound equipment
- State-of-the-art technology, including PACS interface integration
- Long-standing relationships with Novant Health's Radiology and Cardiology interpretation partners

Our Sonographers perform General, Vascular, and Cardiac ultrasound exams all within one time block, making it easier than ever for your patients to receive the care they need.

Videre has a Master Agreement in place with Novant Health, which makes starting on-site ultrasound service with Videre a simple process for your practice.

Contact us to learn more about how you can become one of Videre's partnered Novant Health practices for on-site ultrasound service.
